Mr. Wilde:

I am responding to your letter to Professor Mike Rose dated May 24, 2007. You stated in your letter that you also contacted other GSE&IS faculty. This email serves as a reply for those letters as well.

The matter involving your 1997 termination has been resolved through earlier communications.

As stated to you on June 2 2005, if you wish to reapply for admission, you are welcome to do so, as you have always been able to do.

Should you have questions about the application process, you may contact me.

Sincerely,
Amy Gershon
