Re: www.ucla-weeding101.info

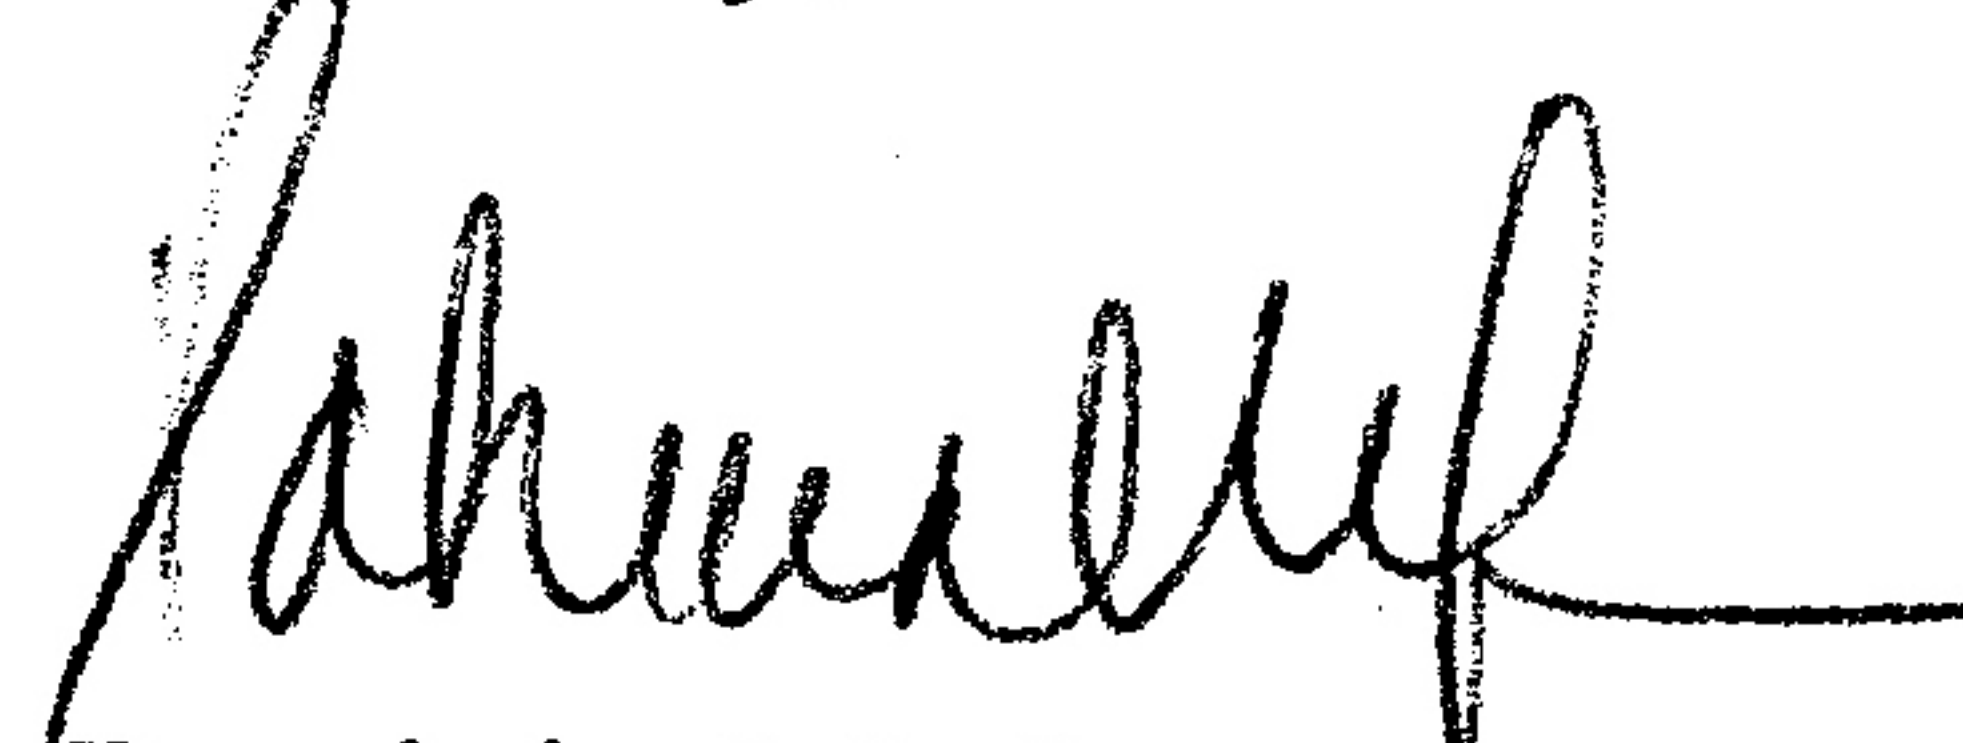

Dear Mr. Kissel:

This is in further response to your August 14, 2009, letter addressed to UCLA Chancellor Gene Block.

Your letter notes that Mr. Tom Wilde has now included a disclaimer on the first page of his website, www.ucla-weeding101.info. This inclusion is helpful in addressing the University's concerns. It would also be helpful if the prominent banner phrase, appearing at the very top of the website, – "The University Offers A Lesson On How It Weeds Out Students" – was amended to avoid creating any confusion that the webpage represents the University itself describing its student retention practices.

In any event, the University hereby withdraws the demands made upon Mr. Wilde in our letter to him of August 6, 2009, and by copy of this letter to him, is so informing him.

Sincerely,

Patricia M. Jasper
Senior Campus Counsel
