Mr. Wilde:

I am responding to your email to Professor Kris Gutierrez dated September 22, 2007.

The matter involving your 1997 termination has been resolved through earlier communications.

As stated to you on June 2, 2005 and since, if you wish to reapply for admission, you are welcome to do so, as you have always been able to do.

Should you have questions about the application process, you may contact me.

Sincerely,  
Amy Gershon
